

Summer Homework

2020 - 2021

Class - III to VIII

1. Revise all the worksheets of all the subjects (given till date).
2. Book Pages of all the subjects (chapters included till July) are being sent. Read them and learn difficult words.
3. Write down Fascinating Facts. Any ten - classes III to V, Any Twenty - classes VI to VIII.
4. Find and write New Words. Any twenty - classes III to V, Any Thirty - classes VI to VIII.
5. Learn and write Tables. Classes III to V From 2 to 20, Classes VI to VIII From 2 to 25.

Activity:-

6. Make something useful with the help of waste material.
7. Prepare any food item without using flame and oil. Share its picture on your whatsapp group. Class VI to VIII will write its recipe also and will write about their experiences while preparing it and afterwards.

Writing:-

8. Class III to V - One page daily on the prescribed writing books. In case of not having books, write down on a notebook.
Class VI to VIII - will have to write one page Hindi and one page English daily in a rough copy.

Fun And Learn:-

An interesting game activity video is being sent to you, to keep yourself fit and healthy, practise it regularly. If you want to make a video of it, keep it ready but don't upload until it is asked.

Have a Happy Vacation
